Hi John,

I requested both a certified and uncertified Scorpions Report on 4/18/11 (see e-mail below) and haven't received neither report. My initial plan was to use special account funding for other operable units at VB/I-70 but I cannot without the report. Can you please check on the status of the reports or if we need to resubmit a request.

Thanks,

Subject: VB/I-70 OU 2 Superfund Site

Hi Kelcey and Martha,

As you know, the VB/I-70 Superfund Site received funding from the ASARCO bankruptcy settlement. The VB/I-70 OU 2 team is the process of initiating a reimbursement of special account funding, from the bankruptcy settlement, in accordance with the Administrative Settlement Agreement and Order on Consent (AOC) for OU 2. The AOC identifies how the reimbursement costs are prioritized for OU 2. In order to accomplish this exercise, I would like to request a certified Scorpions Report for VB/I-70 OU 2 (for

all costs) for the time frame of November 30, 2007 and prior. Also, an uncertified Scorpions Report for December 1, 2007 on forward will be needed as well. If you have any questions, feel free to contact me.

Thanks,
